QUALITY MANAGEMENT SYSTEM CERTIFICATED ISO 9001:2008

Pogliano Milanese, August 28th, 2018

**Subject:** REACH compliance declaration.

Dear Customer,

We hereby declare that we are aware and that we met our obligations with regard to the REACH (EU) ordinance no. 1907/2006.

The chemical components involved in our products are only to be intended as preparations and not chemical substances in the sense of the REACH ordinance.

The obligations, requirements and deadlines as mentioned in REACH are referring exclusively to chemical substances.

Since we do not produce chemical substances, we are considered to be a down-stream user and not obliged to registration.

From our suppliers we have received the declaration that any possible chemical substance potentially applied (also the chemical substances in preparations) have been pre-registered and registered within the registration deadline.

We assure you that none of the in the Candidate List listed SVHC (Substances of Very High Concern) substances are applied in our preparations or applied in our company.

We verify regularly the by the ECHA published Candidate List of SVHC substances "Substances of Very High Concern"2 on new entries.

Therefore, for what has been mentioned above we declare that products produced by us perfectly meet the requirements set out by Regulation (CE) No. 1907/2006, called REACH.

We remain available for any further information.

With best regards

  
  
(Quality Manager)  
Elettronica Rossoni S.r.l.
