Subject: REACH declaration of conformity / your inquiry of 06. December 2012

Dear Ms. Stevenson,

Thank you very much for your letter of inquiry regarding REACH.

Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the registration, evaluation, authorisation and restriction of chemicals (REACH) entered into force on 1 June 2007.

Please be informed that our products fall out of scope of article 7, paragraph 1 (b) of the aforementioned regulation. That means "under normal or reasonably foreseeable conditions" our products are designed not to release substances as detailed under REACH. Therefore pre-registration or registration of products/substances is not necessary.

The candidate list (date 18.06.2012), according to article 59 (1, 10) of the regulation, has been published and incorporated into our company procedures accordingly. If you need specific product information kindly let us know.

Mitsubishi Electric is committed to following the principles of the REACH regulation. The manufacture of environmentally friendly and high-quality products is a core objective for the company.

If you have any questions please do not hesitate to contact us.

Yours sincerely,

Mitsubishi Electric Europe B.V.
